

# **PILOTS PLANNING TO FLY IN THE NORTHERN/CENTRAL NEW JERSEY AREA**

**The Trump National Golf Course in Bedminster, New Jersey has been designated an official presidential residence. When the President is in residence, a Presidential Temporary Flight Restriction (PTFR) is in effect covering a region 30 miles around the Golf Course.**

**The TFR may be activated with less than 24 hours notice and covers most of the Northern and Central New Jersey airspace, affecting 19 airports in New Jersey and Pennsylvania. Violating the TFR will result in your being intercepted by military aircraft!**

**Before flying, please check for any TFRS and NOTAMS by calling Flight Service at 1-800-WX-BRIEF**

**Checking for TFRs before any flight is a good idea!**
